Anytime Fitness is pleased to announce the Grand Opening of their new fitness center, located at 2999 Corporate Lane, in the Godwin Marketplace. Brinkley Construction Leasing Co., a Suffolk based firm, worked with Anytime Fitness to develop a state-of-the-art, 5,000 square-foot exercise facility. The doors opened January 5, 2010.

“Anytime Fitness offers a convenient and affordable exercise option for the area,” said Steve Cross, club owner. “We believe our 24-hour fitness club will be a great addition to the Suffolk area.”

“Health and fitness are important to the well-being of our citizens,” said Mayor Linda T. Johnson. “Anytime Fitness will be an excellent complement to the surrounding neighborhoods and companies, giving people the flexibility to fit their wellness goals into their hectic schedules.”

At Anytime Fitness, members can workout any time of the day or night, every day of the year. They use a security-access key to enter the club, even when it is not staffed. Once inside, members have full use of state-of-the-art strength training and cardiovascular equipment. Anytime Fitness also offers 24-hour tanning and membership reciprocity among its clubs, which allows members to use any of the more than 1,000 clubs that are currently open in the United States, Canada, and Australia.
